

No.6860 : COMFORT ABRASIVE BLASTING HELMET

This very comfortable, lightweight and value-for-money hood is suitable for any kind of abrasive blasting work. Its design ensures constant airflow to the visor in order to prevent misting.

ADVANTAGES

A lense and wire mesh screen preserve the operator's clear view of the work surface and protects the operator from dust and abrasive in the ambient air.

A replaceable fixed inner lens securely fits inside a molded rubber gasket.

A displacement lens protects the inner lens from frosting and can be easy replaced.

A wire mesh screen protects from blast media ricochet. Its design ensures constant airflow to the visor in order to prevent misting.

The Comfort hood is equipped with a pressure regulator, an airflow indicator and a cape.

1. Easy and sure locking window frame
2. Air flow indicator for safety
3. 6-point nylon suspension have quick and easy adjustments
4. Pressure regulator
5. Durable nylon cape
6. Handle for easy transportation
7. Exchangeable cotton neck seal

Disposable lenses

In Comfort blast helmet regular glass, protected with a stainless steel wire mesh screen, is used as disposable lens. Replacement is easy and cheap, as a simple glass plate can be cut to size and used as replacement.
