

No. 6221 / 6226 : SEASONAL BLAST OVERALL NYLON / COTTON.

Sizes available :
S, M, L, XL, XXL, XXXL.

Cotton back is designed to keep you cool.

The light-duty blast overall protects the operator from rebounding abrasive media.

It is an inexpensive substitute for a heavy-duty overall, especially for short-term work or non-blast personnel working intermittently at a blast site.

Through its lighter weight, the light-duty overall is more comfortable to wear in hot climates and in summer.

The nylon and cotton fabrics are easily machine washable.

After a job involving toxic elements, discarding a light-duty overall is more economically sensible than throwing a heavy-duty overall away.

ADVANTAGES

Both zip and velcro closure for double dust protection

Velcro closures around the arms

Elasticated waist for comfort fit
